

## **General Disclaimer**

Archean Resources Pty. Ltd. (“Archean” or the “Company”) has taken all reasonable care in producing and publishing information contained on this website, and will endeavor to do so regularly. However, such information is not intended to be a comprehensive review of all matters and developments concerning the Company. Archean cannot guarantee the accuracy, currency, or completeness of the information at all times. Information posted to the website is accurate at the time of posting, but may be superseded by subsequent disclosures.

Material on this site may still contain technical or other inaccuracies, omissions, or typographical errors, for which Archean assumes no responsibility. Archean does not warrant or make any representations regarding the use, validity, accuracy, completeness or reliability of any claims, statements, or information on this site. Under no circumstances, including, but not limited to, negligence, shall Archean be liable for any direct, indirect, special, incidental, consequential, or other damages, including but not limited to, loss of programs, loss of data, loss of use of computer or other systems, or loss of profits, whether or not advised of the possibility of damage, arising from your use, or inability to use, the material on this site.

The information is not a substitute for independent professional advice before making any investment decisions. All information both on this website and in accompanying documentation issued by Archean is provided in good faith, however we make no representation or warranty of any kind, express or implied, regarding the accuracy, adequacy, validity, reliability, availability, or completeness of any information on the Site. Furthermore, you may not modify or reproduce in any form, electronic or otherwise, any information on this site, except for personal use unless you have obtained our express permission.

## **Financial Disclaimer**

Like any investment in cryptographic, material, or other investment assets, the purchase of minerals, precious metals, or cryptographic assets representing them involves risk. Archean does not accept any liability for any investment decisions made on the basis of the information on our website. Archean does not give investment advice and no information on this website should be construed as such. The content within the website is strictly informational, to be used as a resource to build an understanding of the Company and its services before consulting a professional or exposing yourself to financial risk. Under no circumstances should you assume, take for granted or guess that this content is anything other than informational data. All investments involve different degrees of risk, and you should be aware of your risk tolerance level and your financial situation at all times. The Archean website does not constitute financial advice and should not be taken as such. Archean urges you to obtain professional advice before proceeding with any mineral or precious metal investment decision.

## **Miscellaneous**

Archean reserves the right to make any changes to its website, including changes in forward-looking information, descriptions of present or future services, operations, goals or plans, at any time without prior notice. This contract will be construed in accordance with the laws in force in Western Australia and the parties submit to the jurisdiction of Western Australia.

## **Forward-Looking Statements**

This web site contains “forward-looking information” within the meaning of applicable Australian laws. All statements other than statements of historical facts included on this website constitute forward-looking information, including but not limited to statements regarding the Company’s plans, prospects and business strategies; the Company’s guidance on the timing and amount of future production and its expectations regarding the results of operations; expected costs; permitting requirements and timelines; the results of any Preliminary Economic Assessment, Feasibility Study, or Mineral Resource and Mineral Reserve estimations, life of mine estimates, and mine and mine closure plans; anticipated market prices of metals, currency exchange rates, and interest rates; the

Company's ability to comply with contractual and permitting or other regulatory requirements; anticipated exploration and development activities at the Company's projects; and the Company's integration of acquisitions and any anticipated benefits thereof. Words such as "believe", "expect", "anticipate", "contemplate", "target", "plan", "goal", "aim", "intend", "continue", "budget", "estimate", "may", "will", "can", "could", "should", "schedule" and similar expressions identify forward-looking statements.

Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated, forecast, or intended. Should one or more reasonably unforeseeable risk materialize, or should underlying assumptions on which company operations and forecasts are based prove incorrect, actual results may vary materially from those described in forward-looking information. Accordingly, there can be no assurance that forward-looking information will prove to be accurate. As such, forward-looking information should not be taken as a guarantee of future performance, and readers are advised not to place undue reliance on such information. The forward-looking information on this website speaks only as of the date of this document. The Company disclaims any intention or obligation to update or revise forward-looking information or to explain any material difference between such and subsequent actual events, except as required by applicable law.

### **Exclusion of Liability**

The reader agrees to hold Archean, its subsidiaries and their directors, officers, employees and agents harmless against claims for damages or costs or loss of any kind arising from access to or use of this web site or any information contained in or obtained through this web site.

### **Website is Provided as a Service Only**

This website is not intended as a solicitation or offering of securities in any jurisdiction and the information contained herein in no way should be construed or interpreted as such. No securities commission or other regulatory authority in Australia or any other country or jurisdiction has in any way passed upon this information and no representation or warranty is made by Archean to that effect. The information on this website is not intended to modify, qualify, supplement, or amend information disclosed under corporate, mining or securities legislation of any jurisdiction applicable to Archean and should not be used for the purpose of making investment decisions concerning Archean or its services or operations.
